Depart from Umeda Hankyu 3rd Ave. at 7:30 / Arrive at Hokubo-azae Stn. at 10:50

Tour Schedule \*Pay for the express bus fare yourself

# Cycling is the best when it is sunny !

This area is one of the best place for cycling in Okayama because there are not so many slopes and you see beautiful rice fields and mountain. You can decide if you need a tour guide or not.

# Visit spiritual places

**In this area, hokubo, there are many spiritual places where you feel the nature and know the history of the area. You can get out of your daily life visiting this places emptying your head.**

## Ancient tomb of the ancient king

# Caves ~ from the ancient world ~

In this area, limestone zone, you see caves everywhere.

## Iya Cave

85m. You see so many stone statues. There are 88 at the entrances and 33 inside. And you encounter many bats. You feel like doing a adventure

## Suwa Cave

## Kompira Shrine

Built 230 years ago. There is a large rock ( height:13m, length:110m). You also see a stone wall along the cliff

## Byobu stone

Standing to cover the shrine. You see many stone models like lanterns and statues.
